

Get started

All you need to know to get going with your BlackBerry® Style™ 9670 Smartphone.

 **BlackBerry Style™**

Sprint 

Welcome!

Sprint is committed to developing technologies that give you the ability to get what you want when you want it, faster than ever before. This booklet introduces you to the basics of getting started with Sprint and your new BlackBerry® Style™ 9670 smartphone.

Only on the Now Network.™

The services described in this guide may require a subscription to a service plan and/or may incur additional charges. Not all services will work on all devices. Coverage is not available everywhere. See www.sprint.com/coverage for more details.

Important Privacy Message. Sprint's policies often do not apply to third-party applications. Third-party applications may access your personal information or require Sprint to disclose your customer information to the third-party application provider. To find out how a third-party application will collect, access, use, or disclose your personal information, check the application provider's policies, which can usually be found on their website. If you aren't comfortable with the third-party application's policies, don't use the application.

Your BlackBerry Style 9670

Get Your Device Ready

▶ **Insert the Battery**

1. With your thumbs, press down on the battery cover on the back of your phone and slide the cover down to remove it.
2. Insert the battery so that the metal contacts on the battery align with the metal contacts on your BlackBerry[®] device, and press down to secure the battery. (If the battery has sufficient charge, your device should turn on automatically.)
3. Replace the battery cover and slide up until it clicks into place.

▶ **Charge the Battery**

1. Insert the larger end of the USB cable into the charging head.
2. Connect the smaller end of the USB cable to the micro-USB port on the left side of your BlackBerry device.
3. Plug the charging head into a power outlet.

Activate Your Device

▶ **Activate Your Device**

- If you bought your device at a Sprint Store, it is probably activated and ready to use.
- If you received your device in the mail, and it is a new Sprint account or a new phone number, it is designed to activate automatically when you first turn it on.
- If you received your device in the mail and you are activating a new phone for an existing number on your account, go to sprint.com/activate and follow the instructions.

When you have finished, make a phone call to confirm your activation. If your device is still not activated or you do not have access to the Internet, contact Sprint Customer Service at **1-888-211-4727** for assistance.

Setup Application

▶ Complete the Setup Application

The setup application is designed to help you learn about navigation and typing, change options to personalize your BlackBerry device, set up wireless and Bluetooth® connections, and set up one or more supported email addresses.

- To complete the setup application, follow the prompts to set up your device. Slide your finger on the trackpad to highlight options and click (press) the trackpad to continue.

To access the setup application at any time, click **All > Setup** .

Make a Phone Call

▶ Make a Phone Call

- From the Home screen or in the Phone application, type a phone number and press **Send** .
- To end a call, close the phone or press **End/Power** .

▶ Answer a Phone Call

- To answer a call, open the phone or press .
- To ignore an incoming call and send it directly to voicemail, press .

Voicemail

▶ Set Up Voicemail

You should set up your voicemail and personal greeting as soon as your device is activated. Always use a password to protect against unauthorized access.

1. Press  and then press and hold .
2. Follow the system prompts to create your password and record your name and greeting.

▶ Retrieve Your Voicemail

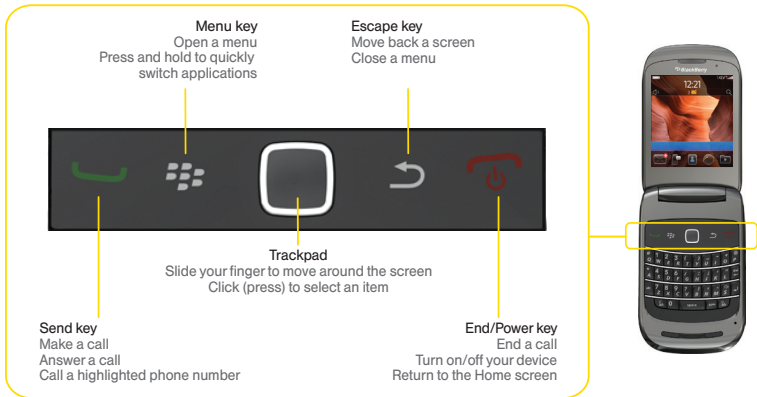

From your BlackBerry device:

1. Press  and then press and hold .
2. Enter your password.

From any other phone:

1. Dial your wireless phone number.
2. When your voicemail answers, press *.
3. Enter your password.

Moving Around on Your Device

Using the Home Screen

▶ Home Screen: All Applications

Use the trackpad to access all your device's applications from the Home screen's **All** page.

For example, to access the **Calendar** :

1. Slide your finger down the trackpad to highlight **All**, and then press the trackpad (click **All**).
2. Highlight **Calendar**  and press the trackpad (click **Calendar**).
 - To access additional menu options for any feature press  and then select an option, such as **New Task**.

The instructions above become:

Click **All** > **Calendar**  >  > **New Task**.

▶ Home Screen: Features

The Home screen also gives you direct access to additional features.

- Click the top information bar to access your connection options such as network, Wi-Fi, and Bluetooth.
- Click a notification to display a message directly.
- Click the search icon to launch a Google[®] search, a BlackBerry App World[™] search, or a Web search.
- Click an application grouping (such as **All** or **Media**) to access applications.

Contacts

▶ Add a Contact

1. Click **All > Contacts**  > **New Contact**.
2. Type the contact information and then press  > **Save**.

▶ Retrieve a Phone Number

1. Click **All > Contacts** .
2. Slide your finger up or down the trackpad to scroll through contacts, or enter the first few letters of a name.
3. To display a contact, highlight a name and click the trackpad. To call a contact, highlight a name and press . If the contact has more than one number, click the number you want to call.

Text Messages

▶ Send a Text Message

1. Click **All > Text Messages**  >  > **Compose Text Message**.
2. Enter a wireless phone number or email address or begin entering a contact name and click the contact.
3. Type a message.
 - To attach a picture, video, or other type of file, press  > **Attach**, and then select a file type and file.
4. Press **Enter**  or press  > **Send**.

Email

▶ Set Up Email

1. Click **All** > **Setup**  > **Email Accounts** > **Internet Mail Account**.
 - If prompted, read the BlackBerry Prosumer Agreement. If you agree with the terms, click **I Accept** to continue.
2. Select an account type, enter your email address and password, and then click **Continue**. The BlackBerry® Internet Service will set up your account.

For details including how to set up an Enterprise account, see your *Basics Guide* and *User Guide*.

▶ Send an Email Message

1. Click **All** > **Messages**  >  > **Compose Email**.
2. Type an email address or a contact name.
3. Type a subject and a message and then press  > **Send**.
 - To attach a picture, video, or other type of file, before clicking **Send**, press  > **Attach**, and then select a file.

Web

*Find sports scores, news, and weather.
Shop online. Tabbed browsing lets
you browse the Web just the way you
want to.*

► Go Online

1. Click **All > Browser** .
2. Enter a Web address and press .
 - To use tabbed browsing to switch between multiple websites, click  in the upper-right corner, click +, and enter another Web address.
 - To switch between tabs, click  and click a tab.

BlackBerry App World

Personalize your phone with a huge selection of apps, games, ringers, and screensavers.

► Browse and Download

1. Click **All > BlackBerry App World** 
 - The first time you visit BlackBerry App World, a Terms of Service window will appear. If you agree with the terms, click **Accept** to continue.
2. Browse through the featured items or click an option at the bottom (**Categories, Top 25, Search, or My World**).
4. Click an item to see its details and reviews.
5. Click **Download** for free applications or click **Purchase** and confirm your payment method for paid applications.

Sprint TV, Movies & Radio

Live TV and video on demand.

Complete episodes and clips of your favorite primetime shows and movies.

Over 50 channels of news, entertainment, weather, sports, and streaming music.

▶ Watch

1. Click **All > Media > Sprint TV** . (The first time, follow the prompts to download the application.)
2. Click **TV** in the left panel and then scroll up or down to select a TV option.
 - To listen to music, click **Radio** and select an option.
3. Click an item to play it. If the selected channel requires a subscription, click **Subscribe** to purchase access or **Preview** to see a preview of the channel.

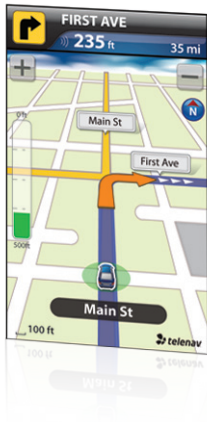

* Coverage not available everywhere. Content and lineup subject to change. Select channels also available for casual usage. Go to sprint.com/tvguide for more information.

GPS Navigation

Sprint Navigation lets you see and hear turn-by-turn directions to a known address, or find nearby restaurants, stores, banks, or gas stations. Get information about traffic and alternate routes

► Navigate

1. Click **All > Sprint Navigation** . (The first time, follow the prompts to download and set up the application.)
2. Follow the onscreen instructions to access, launch, and use the application.

Facebook, Twitter, MySpace and More

Stay as connected and in-the-know as you want to on the Now Network.

► Get It

1. Click **All > Facebook, Twitter, MySpace**, or whatever application you want. Some apps, such as **Sprint Football Live**, are in the **Media** folder.
2. Follow the prompts to set up the application on your device.
 - If prompted, read the BlackBerry or application usage agreements. If you agree with the terms, click **I Accept** to accept any BlackBerry or application usage agreements.

► Use It

1. Click **All** or **Media** and click the application you want to run.
2. Follow the onscreen instructions to update your Facebook status, Tweet about what just happened, check out the latest football standings, or just stay connected.

Manage Your Account
