

Features Guide

Get the most from your phone.

It's all on the Now Network.™

This Features Guide has everything you need to get the most from your new Sprint phone. Just go directly to any feature that interests you, or flip through this booklet for a quick overview. You'll see how easy it is to browse the Web, send email or text messages. You can also download your favorite music, watch movies or Sprint TV, get turn-by-turn driving directions, choose ringtones, screensavers, and much more. So jump right in. Because there's less waiting, and more doing, on the Now Network.™

For more detailed instructions on your Sprint device or any of the Sprint services, refer to your User Guide or visit sprint.com.

The services described in this guide may require a subscription to a service plan and/or may incur additional charges. Not all services will work on all devices. Services available where coverage exists.
