

Features Guide

Get the most from your phone.

It's all on the Now Network.™

This Features Guide has everything you need to get the most from your new Palm® Pre™ phone. Just go directly to any feature that interests you, or flip through this booklet for a quick overview. You'll see how easy it is to browse the Web and to send email or text messages. You can also download your favorite music, watch movies or Sprint TV, get turn-by-turn driving directions, and much more. So jump right in. Because there's less waiting, and more doing, on the Now Network.™

Visit sprint.com/palmpresupport for your User Guide and for more information about Sprint services.

The services described in this guide may require a subscription to a service plan and/or may incur additional charges. Not all services will work on all devices. Services available where coverage exists.

GPS Navigation

All the right turns. And left ones.
