

Sprint

Let's Get Started

with your new
Sprint phone

Welcome!

Thank you for choosing Sprint.
We're here to help you get started
with Sprint and your new phone.

ReadyNow – For expert help in
getting up and running with your
new phone, take advantage of
exclusive **Ready Now** resources
at **sprint.com/readynow**.

Visit **sprint.com/support** for ongoing
support and resources. There, you'll
find user guides, tutorials, and more
to help you get the most out of your
phone and Sprint service.

Don't drive distracted

It can wait. If the car is in driving mode,
you should be too. Visit **sprint.com/drive**
to learn about Sprint's FREE **Drive First**
app and other resources.

#itcanwait

Activate your phone

Choose an activation type

If you purchased your phone at a **Sprint Store**, it's likely activated and ready to use.

If you received your phone in the mail, and it is for a **new Sprint account or a new line of service**, it should activate automatically when you first turn it on. When you see the **Hands Free Activation** screen at startup, just follow the prompts to get going.

If you received your phone in the mail and it's a **swap**, go to **sprint.com/activate** and follow the instructions.

If you're having trouble with activation, visit **sprint.com/support**. If you do not have access to the Internet, call Sprint Customer Service at **1-888-211-4727** from another phone.

Set it up

Power up your phone and complete the setup screens

- Press and hold the **Power** key to turn your phone on.
- Follow the onscreen prompts to set up Wi-Fi, set up email or other accounts, personalize your phone, and more.

When setup is finished, you'll see your phone's home screen.

Sprint Zone

Launch the free **Sprint Zone** app  to:

- Manage your account, including making payments, checking usage, reviewing your service plan, and more.
- Get phone and service support, including access to your phone's full user guide.
- Check out Sprint news and offers.
- And more.

Note: If your phone doesn't have the Sprint Zone app, visit sprint.com/sprintzone to find out how to get it.

Manage your account

Online: sprint.com/mysprint

- Make a payment, see your bills, enroll in online billing.
- Check data usage and account balance.
- See or modify the details of your service plan.
- Get detailed instructions and download content.

Go online for support

Online support

- For help with your phone, visit sprint.com/support.
- Visit community.sprint.com to join the discussion.

Note: Available applications and services are subject to change at any time.

The services described in this guide may require a subscription to a service plan and/or may incur additional charges. Not all services will work on all phones. See sprint.com/coverage for more details.

Important Privacy Message. This phone is capable of determining its/your geographical location. Your phone's location options will be available in the Settings menu. These settings for the use of location information can be turned on and off. For some applications and services you select, a phone must be turned on and set to allow collection of location information in order to function.

Please be advised that if you use a third-party application, the application may collect your personal information or require Sprint to disclose your customer information, including location information (when applicable), to the application provider or some other third party. Sprint's policies do not apply to these third-party applications. Please carefully review the application's terms of use and/or the application provider's policies for more information about how the application will collect, access, use or disclose your information before using a third-party application. Terms of use and other policies usually are available on the application provider's website.

For additional information about Sprint's Privacy Policy, visit sprint.com/privacy.

To review the Terms and Conditions for your Sprint service, visit sprint.com/termsandconditions.

For important safety and regulatory information about your phone model, visit the manufacturer's website.
